

***Muscle Mustang and Fast Fords* magazine describes Boss® 302 and Boss Track Attack program as "Boss Therapy," and provides a great look at the car and the program.**

According to *Muscle Mustang and Fast Fords* magazine you might be able to "Solve your problems with a session behind the wheel of the 444hp Boss 302." They'll get no argument from us here at Boss Track Attack / [Miller](#)

[Motorsports Park Ford Racing High Performance Driving School](#)

We take a lap or two in a Boss® 302 around the race track at Miller Motorsports Park and we forget about pretty much anything except for the excitement and performance of Ford's new Boss® 302.

The *Muscle Mustang and Fast Fords* article covers the following topics:

- Boss® 302 history
- Boss® 302 re-introduction as a "Smashing Success!"
- The Laguna Seca Edition
- TrackKey and Boss Track Attack program
- Boss® 302 Specifications Chart
